SPIRIT OF ELIJAH DAYS

"BEHOLD, I WILL SEND YOU ELIJAH THE PROPHET BEFORE THE COMING OF THE GREAT AND DREADFUL DAY OF THE LORD: AND HE SHALL TURN THE HEART OF THE FATHERS TO THE CHILDREN, AND THE HEART OF THE CHILDREN TO THEIR FATHERS, LEST I COME AND SMITE THE EARTH WITH A CURSE. MALACHI 4:5-6

PREFACE

Crawford County was organized on 23 Jan 1829 from Gasconade County, MO. The current county seat is at Steelville, MO. Crawford is surrounded by the following counties with the dates they were organized; Franklin (1818), Gasconade (1820), Washington (1813), Iron (1857), Reynolds (1845), Dent (1851), and Phelps (1857). When researching your ancestors in this county, keep in mind that several counties preceded the organization of Crawford.

Most marriage books compiled by researchers are recorded as they were written in the order the minister or JP recorded them. These books make it difficult to locate your ancestors because usually the index is by surname only. Sometimes you may have to look up as many as 10 or more pages to locate the marriage record.

This book was compiled with the researcher in mind. I have presented a unique compilation in the sense that the marriages are arranged alphabetically by surname, both groom and bride. This gives the researcher a quick glance at the males and females and what took hours now takes seconds.

The names are spelled as they were written, the recorder phonetically wrote the names as they sounded. This resulted in many misspelled names. **I have included possible correct spellings and known names in () parentheses.** All parties are "of age" and residents of Crawford County unless noted in the footnotes.

See the original marriage record for the dates the marriages were filed and recorded. The dates sometimes weren't recorded for several months after the marriage due to the Justice of the Peace (JP) or the Circuit Rider Ministers (min) would not get to the County Courthouse for several months. Sometimes they lost the marriage records and unless you have a newspaper or family bible, no record exists for the marriage.

This book comprises of three records. The "F" represents the "First Book" and "A" represents Marriage Book "A" and "MC" represents marriage contracts. There are two sections, one for grooms and one for brides. The Justice of the Peace or Ordained Minister is listed at the right for each couple. At the bottom of the page are footnotes relating pertinent information about that marriage.

The following is a Marriage Grid "key" showing the format of the records.

The first record above is in the Marriage Book "A", page 85; David Ackerson and Rebecca Mathews were married on 6 Jun 1843 by John F. Mudd, a Justice of the Peace. If the Church affiliation of the ministers is known, then I have listed that information.

RELIGION

Unlike today, 150 years ago religion was taken very seriously. Which church you belonged to determined whom you associated with, your family, friends and neighbors. If a family member didn't "join" the church of their family but joined a different religion, this was looked down upon and usually that family member was ostracized from the family.

Preachers zealously sought new members for their congregations. Not so much as to "save" the individual soul but to increase the amount of revenue new members generated into the church coffers. New revenue meant new buildings, new church programs like Sunday school, youth trips and various other activities. Also, increased tithes led to expansion and "branches".

In the new fledging territory, most preachers rode what is called the "circuit". This was a route over an assigned territory, which he may visit half a dozen times or more a year. He would officiate at weddings, funerals and baptisms increasing the congregation so that a permanent church building could be built in the region.

Consequently the competition for souls was fierce. So fierce that one religion would preach that another type of religion was false and doomed to hell because they were not "right" or correct in their interpretation of the scriptures. This led to church burnings and feuds between religions. People were hurt, families were destroyed and property was damaged...all over money.

Needless to say, people did not choose a religion lightly. Usually they associated in the church they were raised with their parents. **Therefore, when you see your ancestors' marriage record listing the minister from a certain religion, most likely that church has records of the marriage and maybe other records with information about your family.** For this reason I have enclosed the minister's denomination if known.

VERIFICATION

If you are having trouble identifying the families or the spouses of your ancestor, you should cross-reference these couples by using the census to find them. Also, check the census of the surrounding counties.

If your ancestors are not listed, check the church records and the newspapers of Steelville and the surrounding communities where they lived. If they or their parents bought or sold land, they may be listed in the Deed books for that time period. By cross-referencing these sources you will be able to verify their actual names.

There are several ways to actually view the marriage records themselves.

- Go to the Crawford County Courthouse, the Recorder of Deeds office and view the marriage books.
- Or, order the microfilm from the Family History Library of the Church of Jesus Christ of Latter Day Saints.

CHURCH OF JESUS CHRIST OF LATTER DAY SAINTS

In various cities around the world there are chapels of the Church of Jesus Christ of Latter Day Saints. Some of these chapels have a separate library, housing computers, microfilm machines and books to help genealogists research their family trees. The volunteer patrons of these libraries will assist you in finding the correct records you need.

Many years ago, the Church sent photographers to photograph most of the vital records and recorded on microfilm the marriages, deeds, court records and various other information important to family researchers.

You can view a catalog of these records and order the film from your local Family History Library (FHL). At this time a microfilm cost \$3.50 to rent for 2 weeks with the option to keep the film longer.

The Family History Library number for the Crawford County, Missouri marriages from 1831-1871 is FHL#0914147. This film is one of the sources I obtained the information for this book.

ADDITIONAL SOURCES

In 1969, Audrey Woodruff transcribed and published various Missouri records including, marriages and I have referenced her book, **"The Marriage Records of Crawford County, Missouri, The First Marriage Book & Book "A" 1829-1855"** and verified each of the names and dates against the microfilm copy.

Mrs. Woodruff was an excellent compiler but I have found over 400 errors in her work. I found wrong dates, missing marriages, omissions of locations, missing pages and through close scrutiny and cross-referencing I have corrected those entries with the pertinent information.

Also, I wrote to the Recorder of Deeds in Steelville, Crawford County and they helped me to verify hard to read names and dates. I would like to extend a special thanks to the employees of the Recorder of Deeds office in Steelville.

In addition I referenced the following sources to verify the actual names.

- Federal Census Records: 1830, 1840, 1850, 1860, 1870 and 1880 of Crawford, Franklin, Dent, Gasconade and Washington Counties of Missouri.
- **"Crawford County Missouri History"** (1987) by Turner Publishing Company, P.O. Box 3101, Paducah, Kentucky 42001
- **"Cemeteries of Crawford County, Missouri"** (1993) by Helen Wright, Leasburg, MO.
- **"Crawford County, Missouri Marriages First Book 1829-1831 & Book "A" 1831-1855"** (2004) by Floyd Thomas Pratt.
- **"History of Missouri Illustrated for Franklin, Jefferson, Washington, Crawford & Gasconade Counties"** (2001) by Southern Historical Press, P, O, Box 1267, 375 West Broad Street, Greenville, S.C. 29602-1267.
- **"History of Forest Hill and Vicinity"** (1970) by John Steele McCormick.
- **"Crawford County, Missouri Will Book "A", 1832-1868"**, (1971) Missouri Pioneers, Volume 13, pages 41-49 by Miss Nadine Hodges and Mrs. Howard W. Woodruff.
- **"Crawford County, Missouri Settlement Book "A" 1829-1849"**, (1971) Missouri Pioneers, Volume 13, pages 50-52 by Miss Nadine Hodges and Mrs. Howard W. Woodruff.
- **"State Wide Missouri Obituaries from the St. Louis Christian Advocate 1851-1882"**, Volumes 1-5, (1986) by Mrs. Howard W. Woodruff.

FOOTNOTES

The footnotes reflect various annotations recorded with the marriage. For instance the place of residency of the bride and groom, the place of the marriage, consent of one or both parents to the marriage and various other comments helpful to the researcher.

- **Both of lawful age.** This was usually written by a minister to verify that he did ask and obtained consent of the parties being married. Age 18 for females and 21 for males.
- **With consent of parents.** If one or both of the participants were underage, then the minister or Justice of the Peace had to obtain permission to the marriage from the parents of the minor. This was accomplished with parents being present at the wedding or submitting a certificate of consent.
- **Groom or Bride of certain township.** The domicile or residence of the township within the County would be listed for either the groom or the bride or both. Sometimes the minister or JP would list the participant's residence after each name and sometimes the minister or JP would state that he represented a certain township. Should be noted some of the townships listed no longer exist. Crawford County officials renamed townships often so further study would be required to ascertain the current name of a township, which no longer exists.
- **Groom or Bride of certain county or state.** The domicile or residence of a county in Missouri or a different state would be listed for either the groom or the bride or both.
- **Miss or Mrs.** Sometimes the minister or JP would list the bride's name as Miss for a single girl not previously married, which indicated her surname is her maiden name. Mrs. refers to a previously married woman. You should be mindful that a Mrs. is her married name and is not her maiden name.
- **Widower or widow.** Once again be mindful that a widow's surname is her married name.
- **Location.** Sometimes the record will state they were married in a different county or more often, a friend or relative's home.
- **Witnesses.** If listed, witnesses to the wedding were present. Sometimes most were relatives of either the groom or the bride.
- **Date corrections.** Sometimes the marriage was not recorded until months or years later. Ministers and JP's became confused and would list the marriage date after the recorded date. I offer a logical correction.
- **Name confusion.** Because there were no uniform standards for recording the marriage information, each minister and JP recorded the information in the written style they felt appropriate. This lead to verbose and unnecessary wordage. The result is hard to read names and dates. When there is confusion, I offer some alternatives to what should be the written name through research of census and other sources. If any of my readers can shed some light on the actual names in question, please write the author.
- **See addendum A, B, C, etc.** Some marriages were lengthy contracts. These were recorded in the beginning of the main book. If their marriage date is within the time frame of this work, then they are transcribed in their entirety in the noted addendum.

Thank you and I hope this book will be a valuable tool for the researcher.

¹¹ Bride of lawful age.

¹² This record appears in Audrey Woodruff's Marriage Book of Crawford County, Missouri but was not included in the microfilm copy. Mrs. Woodruff probably saw this record and recorded same but there are several pages missing from the original text and what could have been in the records in 1969 may have been lost in 1972 when the Church microfilmed the marriage records. I have included this record because I believe Mrs. Woodruff's inclusion of this record in her book was factual.

¹⁷ Married in Watkins Township.

¹⁸ Married in Courtois Township, groom of lawful age, bride by consent of her father.

¹⁹ Bride of Campbell Township.

³⁸ Both of lawful age.

³⁹ Groom's name looks like Denison or Denard F. Brown. In the 1860 census he is listed as D.M., in the 1870 census he is listed as Mark. Checking the book "Crawford County Missouri History", Turner Publishing Company © 1987, page 138, 385,386, states that Mark Brown married Rhoda Lofton. Mark's parents were William "Billy" & Susan (WALKER) Brown from North Carolina. Susan (WALKER)'s parents were Demarcus & Mary Ann (BLEVINS) Walker early pioneers of Crawford County. I think his name is Demarcus, named after his grandfather.

¹⁸⁹ Date of 1846 was written but should have been 1845 because it was recorded 18 Aug 1846.

¹⁹⁰ Written date of 1850 but I believe the correct date to be 1849 because it was recorded 5 Apr 1850.

¹⁹¹ This record appears in Audrey Woodruff's Marriage Book of Crawford County, Missouri but was not included in the microfilm copy. Mrs. Woodruff probably saw this record and recorded same but there are several pages missing from the original text and what could have been in the records in 1969 may have been lost in 1972 when the Church microfilmed the marriage records. I have included this record because I believe Mrs. Woodruff's inclusion of this record in her book was factual.

¹⁹² Married in Johnson Township.

²⁰⁰ Could also be Moon.

²⁰¹ Both of lawful age.

²⁰² Married in Meremec Township.

²⁰³ The record reads "matrimony between Andrew Moreland Geasler both of the State and County..." The name is not indexed under either Moreland or Geasler. No name for the bride. Checking with the 1850 census of Crawford I found an Andrew Moreland age 32 living with Mary age 23 and 5 children. I found Geaslers in the 1840 census and Mary could be the daughter of either Jacob S. Geisler or John Geisler Sr. I believe her dad was John Sr. because she names her first born son John. The second son is named George after Andrew's father. In the 1850 census the Geislers were living in close proximity to 4 Moreland families in the area. Check with the Methodist Episcopal Church South to see if they have a record of this marriage.

²⁰⁴ Bride with consent of parents.

²⁰⁵ Could be Morrice, Morrace, could not find him in the Crawford 1840 & 1850 census. Her maiden name could be Tygert, Talbot, Talbert?

²⁰⁶ Groom in the 20th year of his age, bride in the 17th year.

²⁰⁷ Groom of Franklin County, MO.

²⁵³ Married in Boon Township. (Boone)

²⁵⁴ Written record gives only one name for the groom. I checked the 1850, 1860, 1870 census and could not find this family.

²⁵⁵ Groom of Dent County, MO. "At house of Franklin N. Welch of Osage Township, Crawford County, MO.

²⁵⁶ Groom of Madison County, MO., both of lawful age.

²⁵⁷ Both of lawful age.

²⁵⁸ Married in Johnson Township.

²⁵⁹ Witnesses: Mark Sullivant, John Copland and Miss Catharine Sewell.

²⁶⁰ Groom by consent of his parents, bride being of lawful age.

²⁶¹ Groom's surname could be interpreted as Swiers, could not find him in the 1840, 1850, 1860 & 1870 census of Crawford County.

²⁶² Both of lawful age.

²⁶³ Both of Liberty Township.

²⁶⁴ The date of the marriage shows 1843, however the marriage was recorded 13 May 1852. The 1850 census of Washington County, MO shows a daughter of this marriage, age 6 months. The 1860 census, same county shows the same daughter as 10 years old. Therefore it appears they were married sometime before 1850.

³⁹⁷ Bride by consent of her father.

³⁹⁸ Both of Cullin Twsp.

³⁹⁹ Groom of Franklin Co., MO.

⁴⁰⁰ Groom of Franklin Co., MO.

⁴⁰¹ Could be 10th of the month or the 16th, not very precise or definitive.

⁴⁰² Married in Courtois Twsp., both of lawful age.

⁴⁰³ Could also be Nilles or Milles, could not find them in the 1840 or 1850 census of Crawford Co., MO.

⁴⁰⁴ The record reads "matrimony between Andrew Moreland Geasler both of the State and County..." The name is not indexed under either Moreland or Geasler. No name for the bride. Checking with the 1850 census of Crawford I found an Andrew Moreland age 32 living with Mary age 23 and 5 children. I found Geaslers in the 1840 census and Mary could be the daughter of either Jacob S. Geisler or John Geisler Sr. I believe her dad was John Sr. because she names her first born son John. The second son is named George after Andrew's father. In the 1850 census the Geislers were living in close proximity to 4 Moreland families in the area. Check with the Methodist Episcopal Church South to see if they have a record of this marriage.

⁴⁰⁵ Bride of Liberty Twsp.

⁴⁰⁶ Bride of Liberty Twsp.

⁴⁰⁷ Married in Johnson Twsp.

⁴⁰⁸ Widow of Hugh Glenn. Hugh's will dated 15 Apr 1835 in Crawford Co., MO.

⁴⁶⁰ Groom's name looks like Denison or Denard F. Brown. In the 1860 census he is listed as D.M., in the 1870 census he is listed as Mark. Checking the book "Crawford County Missouri History", Turner Publishing Company © 1987, page 138, 385,386, states that Mark Brown married Rhoda Lofton. Mark's parents were William "Billy" & Susan (WALKER) Brown from North Carolina. Susan (WALKER)'s parents were Demarcus & Mary Ann (BLEVINS) Walker early pioneers of Crawford County. I think his name is Demarcus, named after his grandfather.

⁴⁹⁵ This record appears in Audrey Woodruff's Marriage Book of Crawford County, Missouri but was not included in the microfilm copy. Mrs. Woodruff probably saw this record and recorded same but there are several pages missing from the original text and what could have been in the records in 1969 may have been lost in 1972 when the Church microfilmed the marriage records. I have included this record because I believe Mrs. Woodruff's inclusion of this record in her book was factual.

⁵⁰⁴ Groom of Gasconade Co., MO. Bride of lawful age, parents of Walter consent to marriage.

⁵⁰⁵ Married in Big Spring Twsp.

⁵⁰⁶ Both of Washington Co., MO.

⁵⁰⁷ See the author about extensive information about the Campbell & Pratt families.

⁵⁰⁸ Groom of Washington Co., MO. Nancy (CARTER) widow of Henry Pratt who died 1842/1850 from Monroe Co., TN.

⁵⁰⁹ In Audrey Woodruff's book on Crawford County marriages she misreads Blanton as Stanton and Nancy M. Pratt's name as Botto, which actually follows Pratt and says Both of Crawford County. The "Both" looks like Botto, therefore the error.

⁵¹⁰ Bride of Campbell Twsp.

⁵¹¹ Both of lawful age.

⁵¹² The bride's maiden name looks like Prophet but under close scrutiny, I thought it looked like Propst. Checking the 1850 census I found a John Propst living next door to 3 Dean families. Could not find Probet Dean family in the 1860,1870 census of Crawford Co., MO.

⁵¹³ Married in Watkins Twsp.

⁵¹⁴ Both of lawful age.

⁵¹⁵ Married in Johnson Twsp.

End of Alphabetized Bride Surname of First Marriage Book and Book "A" of Crawford County, Missouri

⁵⁹⁴ Married in Skaggs Twsp.

⁵⁹⁵ This record appears in Audrey Woodruff's Marriage Book of Crawford County, Missouri but was not included in the microfilm copy. Mrs. Woodruff probably saw this record and recorded same but there are several pages missing from the original text and what could have been in the records in 1969 may have been lost in 1972 when the Church microfilmed the marriage records. I have included this record because I believe Mrs. Woodruff's inclusion of this record in her book was factual.

⁵⁹⁶ Believe correct date to be 1842, filed in 6 Feb 1843.

⁵⁹⁷ Both of lawful age.

⁵⁹⁸ The date of the marriage shows 1843, however the marriage was recorded 13 May 1852. The 1850 census of Washington Co., MO shows a daughter of this marriage, age 6 months. The 1860 census, same county shows the same daughter as 10 years old. Therefore it appears they were married sometime before 1850.

⁵⁹⁹ Both of lawful age.

⁶⁰⁰ Both of lawful age.

⁶⁰¹ Married in Johnson Twsp. Even though it says Oliver, I believe he meant Olive.

Addendum A

⁶⁰² Marriage Contract Book, Crawford Co., MO., page 1 & 2.

⁶⁰³ The last word of this contract is hard to read. I'm not sure that unchanged is the correct word. I have copied it as it was written. Apparently they were married because in the 1860 census of Crawford County, John McDade has two grandchildren living with him (house #75 in Meramec Twsp.). Martha Harris age 6 and William Harris age 3. But I cannot find Alfred or Mary Ann Harris in either the 1860 or 1870 census of Crawford or 1860 Washington Co., MO.

A Little Something About Your Author.....

Floyd Thomas Pratt, F.H.C., M.A.G.I.

At the age of 19, Tom Pratt embarked on a career in law enforcement. This experience gave him training in detective and investigative skills. Little did Mr. Pratt know, how useful these skills would be in the field of genealogy.

Tom Pratt started his family research career in 1975 after becoming a member of the Church of Jesus Christ of Latter Day Saints. His first calling as a new member was to serve in the newly created genealogical department or known today as the Family History Center in the Springfield, Missouri ward. This two-year calling gave Mr. Pratt a tremendous amount of experience helping others to research their families.

In fact, he felt family research came easy and required little effort on his part. In reality, years of reading and studying increased his expertise and he made it look easy to others.

Over the course of several years, Mr. Pratt was asked by his church to instruct several family history courses. This experience established a deep profound love for family and ancestors.

It was not uncommon for Mr. Pratt to spend 4 to 8 hours a day researching and compiling family histories in addition to his duties, as an entrepreneur in the insurance business.

The first major achievement for Mr. Pratt was a breakthrough on his Pratt family back to the early 1800's. Not satisfied with just the direct line research, Mr. Pratt branched out to research all connected lines and allied families.

This dedication led to 42,000 individuals and achieved expert status for Mr. Pratt on the families of middle and eastern Missouri, eastern and western Tennessee and central North Carolina.

Concerning Mr. Pratt's style of research, he is a strong supporter of the "hands on" approach. When he took family vacations, they usually went to libraries, cemeteries, courthouses, National Archive centers, and visited family members in various states. He attended multi-state family reunions and obtained his material from the actual sources when possible.

A Little Something About Your Author.....

Being a researcher of the highest degree, in 1991, Mr. Pratt formed the Pratt Publications Company and offered to the public, a series of books titled, The Pratt Progenitor Papers. This series of volumes are a collection of legal documents, stories, pictures and historical presentations concerning the families of Missouri, Tennessee and North Carolina.

The first three Volumes were released to the public in 1991 and were issued to 18 different libraries including the Library of Congress and the St. Louis Public Library. The next 7 volumes were published with at total of 43 volumes scheduled for publication.

In 1996, Mr. Pratt formed the Genealogical Institute to further the education of serious researchers.

The Genealogical Institute offers a series of educational materials to teach and instruct the uninitiated in the procedures of family history research. These courses offer "a hands on" curriculum designed to instruct in investigative, deductive reasoning and logical procedures for tracking your family history.

Beginners and experienced researchers have found a treasure chest of knowledge when undertaking these courses. Mr. Pratt has taken the hobby of genealogy and has enhanced it into a science. Heavy on instructions concerning documentation, research procedures, alternative sources and common public records, this course is a valuable tool for the researcher. One of Mr. Pratt's favorite sections of the course is teaching researchers "how to stop" researching and compile their information for publication.

Upon completion of the educational courses from the Genealogical Institute, the graduate is awarded the **Master Accreditation of the Genealogical Institute. (M.A.G.I.)**

This designation is equivalent to a Doctorate Degree and signifies the recipient has been trained and demonstrated superior research techniques.

Mr. Pratt's ability in family history research has amazed many educated researchers. When Mr. Pratt is asked for help concerning their "brick wall" in their family research, his quick wit and logical mind rapid fires instructions and procedures so fast they cannot write the material quickly enough. Little do they realize this knowledge has been acquired over 30 years of experience and research.

In June of 2000, Mr. Pratt undertook a new and unprecedented task.

Outside of Washington, Franklin County, Missouri is an old cemetery called the Johnson-Caldwell Cemetery. This cemetery has many pioneer heroes and ancestors of various descendants from that region. Some of the inhabitants were born in the 1750's and traveled west to Missouri after the 1803 Louisiana Purchase.

A Little Something About Your Author.....

Mr. Pratt took down all the information off the headstones, including every person in the cemetery and researched each individual related or not. 1000 man-hours and two years later, he published the book "Johnson-Caldwell Cemetery of Franklin County, Missouri"© 2001.

Obtaining newspapers, legal documents, personal interviews with ancestors and researching various sources for any and all information concerning the history of the cemetery and the inhabitants produced this master text. What makes this book stand out among the rest is basic content and structure.

First, it is the only book to cover the known and reported inhabitants of an entire cemetery.

Second, this book reports on each inhabitant, their birth and activities throughout their life until their death, including their ancestors, spouses and children.

Third, even the index is unique, listing the individual and their father's name if known. This is extremely helpful when several individuals have the same given name.

Upon examination, professional researchers have hailed this body of work as a masterpiece and a standard in which all future research of cemeteries should be based. In their opinion, no one has ever produced a body of work about a cemetery as unique and professional as this publication.

Currently, Mr. Pratt is working on a series of books from the [Pratt Archive Collections](#), which is a series of biographical publications concerning a progenitor and a generation of descendants. This collection is a "cradle to grave" report, which covers the subject's ancestry, birth, marriage, children, and geographical domiciles as well as the political environment during the subject's lifetime.

In addition, Mr. Pratt is working on additional volumes of the Pratt Progenitor Papers and several books on public records.

With all these accomplishments, Mr. Pratt humbly refers to himself as a Genealogical Anthropologist...resurrecting progenitors.

We in the genealogical world are deeply grateful to be associates of a man of Mr. Pratt's caliber. Through his dedication to helping the novice as well as the professional researcher, future generations will benefit by his advances in the genealogical field.

In addition, we are thankful for the inspiration that sparks men like Mr. Pratt to magnify their love for people and history. We feel, with a lifetime dedicated to the genealogical pursuit of truth and knowledge, Mr. Pratt's accumulative body of work, will stand as a quintessential manifestation of this divine love.
